Scholarship Letter Information

By signing this form, your child(ren) will be registered with travel basketball, however, your registration is not complete until each child involved has hand written ONE letter to Roger Dean Stadium thanking them for their support.

I understand that each of my children, named above, must each write a letter to Roger Dean Stadium thanking them for making a difference in JTAA Jupiter Jaguar basketball programs. The details of the letter are outlined in the flyer I received.

Jupiter-Tequesta Athletic Association Scholarship Letter Information

All Scholarship Recipients:

NOTE: Letters due by all athletes receiving a full or partial scholarship.

The Jupiter/Tequesta Athletic Association has been enhanced by the generosity of Roger Dean Stadium. This money donated by these benefactors has made a difference in the ability to offer scholarships to needy families.

In order to continue to receive funding from Roger Dean Stadium, JTAA has asked each scholarship recipient to write a letter to this benefactor, thanking them for helping make a difference in their child's sport experience.

The letter should be written by each child receiving a scholarship. There are no formal requirements for this letter, any paper can be used, it can be hand-written or typed. Below are some ideas which may help in writing the letter. The letters should be written to:

Please address the letter to Rodger Dean Stadium.

- A paragraph telling Roger Dean Stadium that you thank them for giving you this opportunity.
- A paragraph telling Roger Dean Stadium how much fun you have in the sport of basketball.
- A paragraph telling Roger Dean Stadium how participating in basketball allows you to be part of the community and to be involved with your friends.
- A paragraph thanking JTAA for your scholarship.

Give the letters to your travel basketball coach. Your coach will turn the letters in to Randy Rienas for distribution.

Thank you for your participation in the scholarship letter program.
