

**JUPITER STING
BOARD MEETING
February 10, 2010**

**MINUTES
PROPOSED**

Meeting called to order at 8:00 p.m.

Attendance:

Marianne Casper	Ashley Svopa	Leuwann Price	Lori Villas
Steve Svopa	Sean Fletcher	Leah Vincent	Natalie Janson
Tom Tardonia	Sonia Lagos		

Approval of Minutes:

Lori Villas

Ashley motioned to accept the January Minutes. Sean seconded the motion. All in favor.

New Business:

Time to start organizing tryouts. We need access to all of the databases. A committee should be formed.

Issues: Will there be A & B teams? F license required first year but can be obtained while coaching during first year. E class required for 2nd year. Sting will provide those classes. Tripper would like to schedule both licensing classes before May. Ashley would like to be on that committee. Tripper will take the lead and set this up. Delineate a check list for coaches, asst. coaches, and managers.

We need to showcase Sting at the SoccerFest so everyone can see our commitment and professionalism and dispel some of the negative press that Sting has received.

Sheril Jalm needs to be brought in on these discussions.

Leah suggested putting together a "highlights" sheet of Sting's accomplishments.

"Word of mouth" is the best advertising.

E-Board Report:

Marianne Casper

Aubrey Felton has resigned as JTAA Chair.

Sheril Jalm has resigned her E-Board position as Past President and will serve as JTAA Soccer Chair.

Reporting to her is Robert Drake, Director of Rec/All Star Soccer.

Mark Howard remains as Vice Chair/Director of Sting.

Sheril was not aware that no letter of introduction was sent out. Marianne will send to Ashley and Ashley will send to all of Sting coaches and parents.

Robert is planning a meet and greet later in the month (2/25 or 2/26).

Still no approval for the photo fundraiser.

Word is that other clubs are looking to get JF park field space. Also, other JTAA sports teams are looking to get JCP field space currently used for soccer.

Treasurers Report:

Club actually has \$7,637.75. Figure reported in January's Minutes was incorrect.

Ashley will not pay trainers for teams that are operating in the red. Trainers will be notified which teams have no funds.

No one could confirm or deny the rumor that Frasier is leaving to go back to England permanently.

Registrar:

2 new players added and 2 players dropped. 287 players and 39 coaches from the All Stars have been added.

Marianne & Leu go to GotSoccer training in Orlando on March 6, 2010.

Field and Facilities Update:

After this weekend there is 1 weekend of regular season games and 1 makeup for U11 boys.

League Reports:

FLUGSA :

U11 Girls ended the season undefeated with a 6-0-4 record. They were again undefeated in the FLUGSA end-of-season Jamboree in Wellington on 2/6/2010 winning their first match and tying their second.

U12 Girls placed second in the division qualifying for FLUGSA playoffs beginning 2/20/2010.

FYSA Region A Cup, Round 1, begins 2/27/2010 & 2/28/2010. U11 Girls are scheduled to participate.

Treasure Coast League:

All finished. The team finished very well against Hobe Sound and Jensen Beach.

Palm Beach Soccer League:

U11 boys have won their last 3 games since the coach left. There is a mercy rule that must be recognized. No scores should be reported showing the winning team with more than 8 goals over the losing team.

SoccerFest:

We're good to go. Everyone is registered. Leah is updating final game schedule tonight 2/10/2010. It will go out tonight or tomorrow.

Fundraising/Sponsorship:

Sonia is going to ask Barry if he still is interested in chairing this position. If not, Ashley has someone (a parent) that she thinks might be very interested.

No other business.

Meeting adjourned at 9:10 p.m.
